

# **2018 FRANCE SUMMER PROGRAMMES**

**LYON – BESANÇON**

# CREDIT-TRANSFER APPLICATION

-Students may be considered for 0-6 units of courses for credit transfer; depending **on three criteria**,

- (i) the number of contact hours (14 hours for one unit),
- (ii) language levels
- (iii) performance in the course

-We are not able to “guarantee” the results of credit-transfer application before they finish the course. If the students have any concern, please don't enrol the summer course to avoid “false expectation”.

-Some students may not be able to transfer the credit as they repeat the level at the university that they completed at CUHK.

-The credit transfer application is restricted to **language courses** only.

# CREDIT-TRANSFER APPLICATION

About your group level in France :

- **After your placement test (one the first day), make sure you are in an appropriate group** : ask other CUHK student, if any, what level they have studied in CUHK; compare the CUHK course outlines (available on the French Common Room) to yours.
- If you think the level is wrong, **tell your teacher, the level coordinator and the general office of the school there within the first week !**
- **Group change will not be possible after the first week.**
